4812 196th St E
Spanaway, WA 98387
6:30pm–8:30pm

Tuesday, August 19th
Gig Harbor Civic Center
3510 Grandview St.
Gig Harbor, WA 98335
6:30pm–8:30pm
How Shall Your Neighborhood Fit Into Our Future?

Come to an HOA Workshop to:

• Learn what a stormwater facility is, and what facilities are in your neighborhood.
• Learn what your neighborhood’s HOA is responsible for.
• Discuss neighborhood maintenance reserves.
• Learn strategies for repairing, maintaining and protecting your stormwater facilities.
• Help your neighborhood HOA succeed.

We’ve invited homeowners within unincorporated Pierce County to come together and talk about neighborhood stormwater facilities, their purpose and challenges.

Register today!
(253) 798–2725 or piercecountywa.org/hoaworkshops
