- Want to meet others who share your interests?

The City of Kent would be happy to work with any neighbors or other groups interested in improving wetlands.

Do Not Use Chemicals

- Can be harmful to the wetlands.
- Can contaminate the water in the wetlands.
- Can harm wildlife and plants.

Say No to the Wetland

- Do not allow children or pets into the wetland.
- Do not feed the wildlife.
- Do not litter.

Wetlands are small but mighty.

- Help maintain wetlands is very beautiful.
- Beauty

Wetlands are home to many species including

- Wildlife Habitat
- Food Control
