

Good afternoon Municipal Stormwater Permittees, by Laurie Larson

This bi-weekly Municipal Stormwater Bulletin contains information to be shared, including a request for information from permittees, updates on workshops/trainings, and news. There is a lot of useful information please take a look and share with others who could use the information.

## PERMITTEE HIGHLIGHTS

### ANNOUNCEMENTS:

**MuniCon Registration is now open:** <https://web.cvent.com/event/6683e2eb-d658-45e7-9f61-6c1fc96ddd9f/regPage:f66254d4-3683-49b4-8d94-4adb88dc511a>

**Check out all the stormwater training video's on the Washington Stormwater Center's Stormwater Channel** <https://www.youtube.com/channel/UCuVzz3DSGC7N0cA6cI0E99g>

On November 18, 2020, Ecology reissued the Construction Stormwater National Pollutant Discharge Elimination System and State Waste Discharge General Permit (permit). The permit becomes effective on January 1, 2021, and expires on December 31, 2025.

**PERMITTEE REQUEST FOR INFORMATION** If you have any information to share for the permittees requests below, please reach out! If you are looking for information from other permittees send the inquiry to Laurie Larson to be sent in the next bulletin.10/29/20

**The City of Bellevue, Redmond, and Kirkland** have put together a short survey to get a better understand of how we are all doing with implementing the new NPDES IDDE permit requirements, especially with the twist of COVID. If you wouldn't mind completing the anonymous survey, it shouldn't take you more than 5 minutes. After all results are in, we will compile the results and send out a summary. IDDE survey: <https://www.surveymonkey.com/r/WMYC296>

Please complete before Wednesday, November 25, 2020

**Regional Permit Coordinator Meetings:** Contact Laurie Larson for meeting information.
