

Be the Solution to Surface Water Pollution

Snohomish County Surface Water Management Pollution Source Control Program

Have you seen pollutants such as paint, chemicals, concrete, soap, pesticides, fertilizer, or sewage spills in ditches, storm drains, wetland areas or other bodies of water?

You can anonymously report pollution to the Water Quality Complaint Hotline 24 hours a day, 7 days a week. Call 425-388-6481 or visit www.snohomishcountywa.gov/water-complaint.

For more information about this program, visit www.snohomishcountywa.gov/biz-inspections.

Printed on 100% recycled & recyclable paper.
