

## Best Management Practice - Supplies & Services

The [REDACTED], Public Works Engineering Division, provides this supplies and services as a courtesy and is in no way responsible, proposing, or endorsing the work or workmanship of these suppliers. The [REDACTED] requires all businesses conducting business in [REDACTED] to have a current [REDACTED] business license.

Property owners are encouraged to obtain at least three bids for each job, check business licenses, references, and that the contractor is insured and bonded, and then inspect the work that has been done to ensure compliance with your direction. One resource for researching contractors is through the Washington State Department of Labor and Industries contractor registration section at: <https://secure.lni.wa.gov/verify/>. More companies and services are listed on the Washington Stormwater Center website: <http://www.wastormwatercenter.org/provider-directory#LPMGI>
