

Good morning Municipal Stormwater Permittees, by Laurie Larson

This bi-weekly Municipal Stormwater Bulletin contains information to be shared, including a request for information from permittees, updates on workshops/training, and news. There is a lot of useful information and attachments. Please share with others who could use the information.

## NEWS

**WSU Extension and the Washington Stormwater Center invite you to a free webinar** introducing a suite of new educational materials to help manage stormwater and reduce polluted runoff in rural areas.

We will be premiering three short videos and sharing a suite of supporting resources on topics focused on stormwater in rural areas. We will also introduce a new website with videos, fact sheets, demonstration sites, and other resources.

The event is designed to help you and your clients better manage stormwater in rural areas around Puget Sound. The webinar is for professionals from agencies, counties, municipalities, tribes, Extension, Conservation Districts, contractors, homebuilders, landscapers, rural landowners, and anyone in the stormwater industry.

Register today for a free, online session at: <https://Ruralstormwatersolutions.eventbrite.com>. Choose a date that fits your schedule: **October 19, 26 or 27**. The event will be held on Zoom. Contact [Darcym@wsu.edu](mailto:Darcym@wsu.edu) for more information.

### **WSC Stormwater Talks September 28, 2022: Eric Lambert, Clark Co. is scheduled to present on their Student SW Video Contest**

In 2021, Stormwater Partners of SW Washington launched their first student video contest. We asked middle and high school students to create short videos about ways to prevent pollution or their personal or cultural connections to water. **SW Talk Team meeting link:** [https://teams.microsoft.com/l/meetup-join/19%3ameeting\\_Y2Q0NTAwNGEtOTgwYy00MzU3LTliMjYtZjlhMzI0ZmU1OGJk%40thread.v2/0?content=%7b%22Tid%22%3a%22b52be471-f7f1-47b4-a879-0c799bb53db5%22%2c%22Oid%22%3a%224794e0fc-9b19-4064-967f-e7a97f709c2e%22%7d](https://teams.microsoft.com/l/meetup-join/19%3ameeting_Y2Q0NTAwNGEtOTgwYy00MzU3LTliMjYtZjlhMzI0ZmU1OGJk%40thread.v2/0?content=%7b%22Tid%22%3a%22b52be471-f7f1-47b4-a879-0c799bb53db5%22%2c%22Oid%22%3a%224794e0fc-9b19-4064-967f-e7a97f709c2e%22%7d)  
Meeting ID: 216 879 770 114 Passcode: DsmDeb

### **FREE training: Integrating Equity into Engagement**

Kitsap County is hosting a FREE training on integrating equity into your outreach and engagement plans on Wednesday, October 12, 8 a.m. – 4:30 p.m. on Zoom. Registration is required <https://us02web.zoom.us/meeting/register/tZlucOqorjsuGNYSz9RJgVzjsopucSl8XOKB>. This training is limited to 100 participants. Registration closes October 7.

## NEWS STATE, NATIONAL & LEGISLATIVE UPDATE

**EPA Releases Interim Guidance on Census Elimination of "Urbanized Area" Definition:** Since the inception of the MS4 program, MS4s have been defined through data provided by Decennial Census

efforts to identify "urbanized areas". The Census Bureau announced a revision of its criteria defining urban areas with the result being that the 2020 data will not include identified "urbanized areas". EPA released its interim guidance in response to this change in Census data analysis. NMSA will be meeting with EPA to deepen the understanding on this guidance and if/how this guidance may evolve, and how these changes may impact the MS4 sector now and in the future. More information at:

<https://www.epa.gov/npdes/interim-guidance-census-elimination-urbanized-area-definition>

**Car tires produce vastly more particle pollution than exhausts, tests show:** See:

<https://www.theguardian.com/environment/2022/jun/03/car-tyres-produce-more-particle-pollution-than-exhausts-tests-show>

**PEER TO PEER PERMITTEE REQUEST FOR INFORMATION** If you have any information to share for the permittee's requests below, please reach out!

**MuniCon 2023 CALL FOR ABSTRACTS** We invite municipal stormwater permittees and stormwater-related professionals to submit abstracts for presentations. (see attached document). Submittal deadline Nov. 30, 2022. **Also attached is the Sponsorship/exhibitor information.**

**Stormwater Partners Symposium | 2:00-5:00 PM | November 16 at the Lacamas Lake Lodge**

Does your organization have an interesting project that you've recently completed, are currently working on or will launch soon? Let me know! **We are seeking additional topics for the report-out portion of the symposium and may be able to offer a ~15-minute slot during that time.** Contact: Eric Lambert [Eric.Lambert@clark.wa.gov](mailto:Eric.Lambert@clark.wa.gov)

**The STORM Steering Committee is looking for speaker(s)** to present on a program that was developed with equity as the starting point. What equity indicators did you build in from the beginning? How has your program demonstrated equitable outcomes? What lessons did you learn? If are interested in presenting, or have an idea, please email [Katherine.Straus@seattle.gov](mailto:Katherine.Straus@seattle.gov).

**REGIONAL PERMIT COORDINATOR MEETINGS:** For information on Regional Stormwater Coordinator Groups visit: <https://www.wastormwatercenter.org/permit-assistance/municipal/877-2/>

**APWA**

Nov. 18, 2022, 9:00am-12:00pm

**Central NPDES Permit Coordinators Forum**

Oct. 20, 2022, 1:00-3:30pm

**ROAD Map (Regional Operations and Maintenance Program)**

Oct. 13, 2022, 1:00-3:30pm

**South Sound Phase II Coordinator's Group**

Oct. 13, 2022, 9:00-11:00am

**Business Inspection Group (BIG)**

Oct. 18, 2022, 1:30-3:30pm

**STORM**

- Save the Date! Annual Symposium

The Symposium will be held virtually again in 2022. Please mark Wednesday, November 9, from 9 am – 1 pm and Thursday, November 10, from 9 am – Noon

#### **Stormwater Report: Report Explores How Public Outreach supports Equity in Stormwater Investments**

View the report at: [https://stormwater.wef.org/2022/08/report-explores-how-public-outreach-supports-equity-in-stormwater-investments/?mkt\\_tok=MTUwLUFGUy05OTkAAAGGmTBAAwcg11ag3GP8tfhB7nMUQBUv5Chu7WoprmJqLmE5oxo4KgvAOBLjsPr5H4iPyTaZBLuSj5DkuYpRvWYFsAecX3vnT6-Nn-LwtZf](https://stormwater.wef.org/2022/08/report-explores-how-public-outreach-supports-equity-in-stormwater-investments/?mkt_tok=MTUwLUFGUy05OTkAAAGGmTBAAwcg11ag3GP8tfhB7nMUQBUv5Chu7WoprmJqLmE5oxo4KgvAOBLjsPr5H4iPyTaZBLuSj5DkuYpRvWYFsAecX3vnT6-Nn-LwtZf)

#### **Matching funds are no longer required for nonpoint source pollution funding from Ecology!**

Ecology announced they removed the match requirement for our 2024 Water Quality Combined funding Program – for Nonpoint source pollution funding. We are accepting applications for the 2024 funding cycle from **August 13 to October 12, 2022**. Visit our webpage to learn more about applying [https://ecology.wa.gov/About-us/Payments-contracts-grants/Grants-loans/Find-a-grant-or-loan/Water-Quality-Combined-Funding-Program?utm\\_medium=email&utm\\_source=govdelivery#ApplicantInformation](https://ecology.wa.gov/About-us/Payments-contracts-grants/Grants-loans/Find-a-grant-or-loan/Water-Quality-Combined-Funding-Program?utm_medium=email&utm_source=govdelivery#ApplicantInformation)

#### **Dept of Health resources to help protect receiving waters**

Where does your stormwater go? Whether you're infiltrating to an aquifer or discharging to surface waters, Stormwater Planning plays a key role in helping to protect our waters from contamination, supporting clean, safe drinking water sources now and into the future. You can make a difference even if your agency isn't the drinking water utility.

The Dept of Health (DOH) has guidance and tools available to help Phase II municipal stormwater permit managers with S5.C.1 Stormwater Planning. The Office of Drinking Water (ODW) has online maps, collaboration toolkits, and regional planning staff to give you the tools you need to protect receiving waters. Make the most of your work on stormwater planning and SMAP requirements for the 2023 deadlines by contacting your local drinking water provider, including smaller or privately-owned systems, and ODW's Source Water Protection Program. Technical assistance and grant funding are available for drinking water systems.

Contact Nikki Guillot for more information on how to protect drinking water in your area at [Nikki.guillot@doh.wa.gov](mailto:Nikki.guillot@doh.wa.gov) Learn more about Source Water Protection on our website

**Report Explores How Public Outreach Supports Equity In Stormwater Investments** article from WEF Stormwater Report

As infrastructure managers scrutinize the ways they deliver projects under the lens of environmental equity, a new report spearheaded by researchers from the University of California, Los Angeles (UCLA) and Stantec (Los Angeles) argues that each step from conception to construction must center on comprehensive public engagement.

[https://stormwater.wef.org/2022/08/report-explores-how-public-outreach-supports-equity-in-stormwater-investments/?mkt\\_tok=MTUwLUFGUy05OTkAAAGGmTBAA0SYO8WzhDY3imhjkgxbtoNpJ0cdfJg1KZeV9tq8ntXT-IVziGCWVotTYoYQc9qdURARbqwlQXB3peZOP7B6YchYjAhYNju4QT8](https://stormwater.wef.org/2022/08/report-explores-how-public-outreach-supports-equity-in-stormwater-investments/?mkt_tok=MTUwLUFGUy05OTkAAAGGmTBAA0SYO8WzhDY3imhjkgxbtoNpJ0cdfJg1KZeV9tq8ntXT-IVziGCWVotTYoYQc9qdURARbqwlQXB3peZOP7B6YchYjAhYNju4QT8)

**Pierce County Case Study: Swan Creek Action Plan & Implementation**

Since 2008, the Surface Water Management (SWM) division has tracked and reported the water quality of streams and lakes in an annual Surface Water Report Card. Streams and lakes are graded on a scale of 'F' (failing) to 'A' (excellent). In 2012, a project team was assigned to identify problems, partners, and solutions to water quality in Swan Creek. Read more about the project:

<https://www.piercecountywa.gov/7102/Swan-Creek-Action-Plan-and-Implementatio>

**Washington Depart. Of Ecology Water Quality Combined Funding Application opens August 9th!**

Water Quality Financial Assistance (State Fiscal Year 2024) Applications are open August 9 – October 12. The WQC Program is an opportunity for project implementers to apply for multiple state and federal funding sources with a single funding application. The FY24 WQC applications will open on August 9, 2022 and close at 5:00 pm sharp October 12, 2022. Final funding offers will be made July 2023.

For more information [https://ecology.wa.gov/About-us/Payments-contracts-grants/Grants-loans/Find-a-grant-or-loan/Water-Quality-Combined-Funding-Program?utm\\_medium=email&utm\\_source=govdelivery](https://ecology.wa.gov/About-us/Payments-contracts-grants/Grants-loans/Find-a-grant-or-loan/Water-Quality-Combined-Funding-Program?utm_medium=email&utm_source=govdelivery)

**WORKSHOP/TRAINING/CONFERENCE OPPORTUNITIES:** \*These dates are subject to change depending upon COVID-19 containment measures.

**You are invited to the 9th annual OREM (One River, Ethics Matter) virtual conference on ethics and the past and future of the Columbia River. Sept. 27 PDT.** It's free, you just need to register [OREM: Spokane River Salmon – Eastern Washington University \(ewu.edu\)](https://www.ewu.edu/spokane-river-salmon-eastern-washington-university). This year we'll be building on Pope Francis's work on acknowledging the genocide, and the Indigenous-led effort to restore salmon to the Upper Columbia River.

With Canada and U.S. negotiating teams deliberating the future of the Columbia River and Treaty, this is a good time to catch up on the fate of one of the world's great rivers. Remember: you have to register. The conference is virtual. Join us if you can.

Registration required: <https://www.vaticannews.va/en/pope/news/2022-07/pope-francis-apostolic-journey-inflight-press-conference-canada.html>

**Center for Watershed Protection IDDE Training Sept. 27, 1-2:30 ET** Fee based. Registration:

<https://cwp.org/training/>

**WSC Stormwater Talks:** [https://www.wastormwatercenter.org/permit-](https://www.wastormwatercenter.org/permit-assistance/municipal/stormwater-talks/)

[assistance/municipal/stormwater-talks/](https://www.wastormwatercenter.org/permit-assistance/municipal/stormwater-talks/) If you have a topic idea for a future Stormwater Talk please contact [laurie.larson-pugh@wsu.edu](mailto:laurie.larson-pugh@wsu.edu)

- **September 28 Topic: Student Stormwater Video Contest** Presenter: Eric Lambert, Clark County and Jackie Caldwell, City of Camas. Date: Sept. 28 Time: noon to 1:00 PM
- **October 12 Topic: Will you please make up my mind? The art of decision making for scientists.** Presenter: Eric Autry, City of Seattle Public Works, Emergency Management. In this training we will be discussing the multitude of factors that go into a making a field decision. (Regulatory requirements, SOPs, heuristics, political climate, media, workplace expectations, community expectations, employee trust, available resources, insecurity...). What happens when decisions are only a top-down approach. The failures associated with delayed decisions. The work improvements associated with empowering employees with making decisions. While this training isn't specifically NPDES related the instructor formed his views while working as the lead of Seattle Public Utilities, Spill Response Program. Team attendance information: [https://teams.microsoft.com/l/meetup-join/19%3ameeting\\_ZmEwNGZmNjYtNGU4OC00NDE5LWFIMDYtNzRhMDBhM2FjYzhk%40thread.v2/0?context=%7b%22id%22%3a%22b52be471-f7f1-47b4-a879-0c799bb53db5%22%2c%22oid%22%3a%224794e0fc-9b19-4064-967f-e7a97f709c2e%22%7d](https://teams.microsoft.com/l/meetup-join/19%3ameeting_ZmEwNGZmNjYtNGU4OC00NDE5LWFIMDYtNzRhMDBhM2FjYzhk%40thread.v2/0?context=%7b%22id%22%3a%22b52be471-f7f1-47b4-a879-0c799bb53db5%22%2c%22oid%22%3a%224794e0fc-9b19-4064-967f-e7a97f709c2e%22%7d) Meeting ID: 287 784 290 748 Passcode: dK83kF

**UW of Tacoma Puget Sound Institute/King County ECO Net "Tools to Evaluate Water Quality Sept. 29, 8-10 AM**

Learn about tools and new analyses from monitoring and modeling that help us better understand water quality and potential eutrophication impacts. We will look in particular at increased access to spatial and temporal data, including in terminal inlets and shallow embayments. Register at: <https://washington.zoom.us/meeting/register/tJYqfuiqrzwsH9ZDJISC9HRKVPmHOU6NxIoY>

**Registration Open! Source Control Inspection Training** No registration fee. *This project received funding from the Stormwater Action Monitoring Program.* The agenda is attached. \*Class size is limited. If you are unable to attend, please notify asap Laurie Larson to fill the open space on the waiting list

"Are you supporting a Phase II jurisdiction with developing and implementing source control inspections? Join us for one of four free in-person trainings offered in October 2022. Objectives of this training include discussing key topics in the NPDES Phase II permit; providing an overview of the Source Control Inspection Program Guidance Manual; highlighting critical items related to developing an inspection program and conducting inspections; providing peer-to-peer learning opportunities; and practicing using inspection forms, asking questions, and identifying potential issues. Target audiences include municipal source control inspectors, municipal stormwater program managers, and consultants hired by a jurisdiction to support source control inspections."

**Source control inspection training registrations:**

**King County ECO Net/UW of Tacoma Puget Sound Institute Biological Integrity of Key Species and Habitats. Oct. 6<sup>th</sup> from 8-10 AM.** Dr. Jacob Carstensen of the Baltic Nest Institute will describe how researchers in the Baltic Sea are tackling eutrophication. Then Dr. Tim Essington of the University of Washington will explore regional research to quantify the eutrophication risk to key species and habitats in a multi-stressor environment. Building on these insights, workshop participants will have an opportunity to refine the modeling tools that help us protect key species and habitats in the Salish Sea. Register at: [https://washington.zoom.us/meeting/register/tJArcumtpzItEtxNrVakqi-fbtH\\_f-vtGIYf](https://washington.zoom.us/meeting/register/tJArcumtpzItEtxNrVakqi-fbtH_f-vtGIYf)

**How to Develop a Compelling Grant Proposal and Presentation** Sept. 29, from 10 am to Noon cost: \$65.00 location: Zoom presenter Cathy Angell

This course has been under development for a year now. I've interviewed grant reviewers from several agencies and gotten inside knowledge of what impresses them and what frustrates them. My class even features a few short videos of the reviewers sharing their insights. (You'll be getting it straight from the horse's mouth, as they say!) You may register through Ticket Tailor.

The two two primary goals for the class: One is to help you develop a more powerful and successful grant proposal and presentation. And, two, is to help make the review team's experience a whole lot more enjoyable! Registration <https://www.tickettailor.com/events/cathyangellcommunications/735327>

**NEBC NW Remediation 2022 Oct. 6, 2022 Tacoma Convention Center**

Website: <https://nwremediation.com/>

**National Science Foundation Update: Past Climates Inform our Future University of Arizona**

**Oct. 11, 1-2 ET** presenter Jessica Tierney Register at:

[https://nsf.zoomgov.com/webinar/register/WN\\_YQv8gTRBTe6zw\\_834Te-hA?utm\\_medium=email&utm\\_source=govdelivery](https://nsf.zoomgov.com/webinar/register/WN_YQv8gTRBTe6zw_834Te-hA?utm_medium=email&utm_source=govdelivery)

**Infrastructure Assistance Coordinating Council (IACC) 2022 Conference Build Back Together**

**Oct. 18-19, Wenatchee convention Center** More information at:

<https://www.infracunding.wa.gov/conference.html>

**Pacific Northwest Pollution Prevention Resource Center P2 West: EPA Region 9&10 Pollution Prevention Roundtable Oct. 18-20, Portland OR** More information: Fee based.

**Oregon-Washington Water year 2022 Oct. 25-26 9 am- 12:30 pm**

Municipal Bulletin Sept. 20, 2022 Municipal Permittee Bulletin: Inquiries, Resources, and News

We encourage participation from a wide range of sectors including utilities, agriculture, and forestry. There is no cost to attend but you are required to register. More information at: <https://washington.zoom.us/meeting/register/tJcrcO-vqT8oHt0JZ1JCO7juxCIBZGDMxKDp>

**National Stormwater Center: Offers stormwater training. See: <https://npdes.com/>**

**CWT Training Academy** provides live and virtual trainings, including CESCL, and into other areas of environmental and safety topics. View training and group packages (fee based) at <https://www.cwtacademy.com/pages/new-home> or contact Jennifer Lee at [JenL@CWTAcademy.com](mailto:JenL@CWTAcademy.com)

**Save the dates for the Regional Stormwater Tools Technical Workshop – November 1 and 2, 2022**

At the event, King County will:

- Showcase innovative tools that King County and others in the Puget Sound region are developing that support strategic, collaborative stormwater management.
- Discuss what outcomes could be achieved by more coordinated stormwater investments and identify goals that we, as a region, could commit to accomplishing.
- Begin to identify the roles that each of our organizations can play in achieving these goals.

We will use time in this virtual technical workshop to gather real-time input and co-design goals we can realize together through broader regional collaboration.

Do you have ideas for tools that support strategic, collaborative stormwater management that should be included in these conversations? Do you have topics that you hope will be discussed by the group? Please let us know; we want to hear from you! Contact: John Brosnan [jbrosnan@kingcounty.gov](mailto:jbrosnan@kingcounty.gov)

**Community Based Social Marketing Workshop by Doug McKenzie-Mohr Dec. 7-9, 2022**

Introductory Workshop (Three four-hour sessions spread over December 7th, 8th, & 9th) Fee based. Learn more at: [https://cbsm.com/workshops/virtual-NA-Dec2022?utm\\_source=convertkit&utm\\_medium=email&utm\\_campaign=Small+request%3A+Upcoming+Virtual+North+America+CBSM+Training+%28discount+code+provided%29+%20-%208767541](https://cbsm.com/workshops/virtual-NA-Dec2022?utm_source=convertkit&utm_medium=email&utm_campaign=Small+request%3A+Upcoming+Virtual+North+America+CBSM+Training+%28discount+code+provided%29+%20-%208767541)

**SPARKS Conference Pacific Northwest Social Marketing Association Dec. 8 & 6, 2022**

This year, social marketing experts from across the Pacific Northwest will speak on behavior change related to some of the most urgent issues we face; discussing topics of public health, injury prevention, environmental health and protection, and community well-being. For more information and registration visit: <https://www.pnsma.org/event-4929092>

**JOB OPPORTUNITIES:** please share with anyone who may be interested in listed below:

**The Washington Stormwater Center is seeking an Industrial/Construction Stormwater Permit Assistance Specialist.** Position posted on WSU Jobs. You can view that here:

[https://wsu.wd5.myworkdayjobs.com/en-US/WSU\\_Jobs/job/Stormwater-Permit-Assistance-Specialist\\_R-7308](https://wsu.wd5.myworkdayjobs.com/en-US/WSU_Jobs/job/Stormwater-Permit-Assistance-Specialist_R-7308). Please feel free to share this link within your networks to advertise the position. We will share the applicants with you on September 27, 2022.

**King County Water Quality Programs Managing Supervisor/NPDES Coordinator  
Closes Oct. 2, 2022. For more information**

<https://www.governmentjobs.com/careers/kingcounty/jobs/3710081/water-quality-programs-managing-supervisor-npdes-coordinator>

**City of Orting is seeking a Stormwater Maintenance Worker** is a full-time non-exempt position. Under supervision, the Storm-water Maintenance Worker performs semi-skilled labor in the maintenance, operation, and repair of the City's storm-water system; and maintains all vehicles and equipment used. This position is part of a bargaining unit represented by the American Federation of State County and Municipal Employees (AFSCME) Local 120. Knowledge of the NPDES Phase II Permit requirements is preferred. Closes on 09/29/22 more information at:

<https://www.cityoforting.org/Home/Components/JobPosts/Job/38/85>

**Pierce County is now accepting applications for a Civil Engineer 1 - Surface Water Management**

For more information <https://www.governmentjobs.com/careers/piercecountywa/jobs/3701694-0/civil-engineer-1-surface-water-management>

**City of Auburn - Associate Storm Drainage Engineer**

<https://www.governmentjobs.com/careers/auburn/jobs/3511108/associate-storm-drainage-engineer>

**The Department of Ecology Positions:**

**The Water Quality program within the Department of Ecology is looking to fill a Senior Hydrogeologist (Hydrogeologist 4) position.** This position is located in our Headquarters Office in Lacey, WA. In this position, you will plan, develop, conduct and oversee hydrogeologic projects and provide technical advice to permit writers, managers and interdisciplinary teams on monitoring and pollution prevention programs to support wastewater and stormwater permitting decisions. You will work closely with other program and agency staff, attorneys, consultants, contractors, environmental professionals, and non-governmental organizations. This position will remain open until filled, with an initial screening date of October 3, 2022. In order to be considered for initial screening, please submit an application on or before October 2, 2022. The agency reserves the right to make an appointment any time after the initial screening date. Apply at: <https://www.governmentjobs.com/careers/washington/jobs/3718549/senior-hydrogeologist-hydrogeologist-4>
