PEER TO PEER PERMITTEE REQUEST FOR INFORMATION If you have any information to share for the permittee's requests below, please reach out!

Sequim and other jurisdictions are searching for examples of how jurisdictions ensure that stormwater facility maintenance info is passed to a new owner. Code citations welcome, or educational materials. Please share how your jurisdictions are shares maintenance information with the private owners. Send information to laurie.larson-pugh@wsu.edu.

NEWS

Adopt-a-Drain (AAD) is looking for more partners! Washington's AAD program has been up and running since October of 2021. Together, with the help of a vendor, our 8 cities have already signed up 576 'adopters' who have adopted over 1,000 drains! AAD provides a cost effective way to meet various NPDES requirements (behavior change, stewardship), and it can be implemented by jurisdictions of any size. If you are interested in learning more about AAD, check out our webpage <https://wa.adopt-a-drain.org/> or reach out to Halley Kimball (Halley.kimball@maplevalleywa.gov) or Anne Dettelbach (adettelbach@redmond.gov) ("onboarding team").
