Sticker

- 8.5x11
- Plastic sticker with peel off backing
- Install one on every dumpster

Sign

- 11x17
- Plastic with double sided tape on back and corner holes for installation. *Need zip ties if installing on fences.*
- Install on wall or fence in immediate vicinity of dumpsters. No wall or fence = no sign. Make a note of this in your field & eval data sheets.

# Poster

- 8.5x11
- Laminated paper
- Offer to install or give to business to install on their back door as a reminder when they take out the trash.
- *Nothing on back – consider getting some good poster tape or command strips to make installation easy.*
- *If business takes trash out the front door, they may decline the poster. Note this on your field and evaluation data sheets.*
