

# TOXICS

## IN PUGET SOUND WORKSHOP

*Come learn about  
Puget Sound Toxics in an  
all-day Science Workshop!*

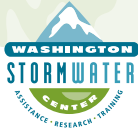

**Friday, February 5**  
9:00 am - 4:00 pm.

Join us again **February 26** to learn about what we're doing now, what could be done—and help inform future priorities to avoid and reduce toxics.

- **Synthesis presentations**
- **Pathways from marine, freshwater, groundwater, wastewater, land & air**
- **Concise seven-minute talks and emerging research projects**

**Hosted by:**  
*Stormwater Strategic Initiative Lead*

**RSVP to:** *Heidi.Siegelbaum@wsu.edu*

Thanks to our funder, the U.S. Environmental Protection Agency, National Estuary Program (PC-10J18101).
